Trolley of Ocean Avenue Line Ploughs Its Way Through Showcase.

MOTORMAN IS INJURED.

Carried Away Part of Wall of Drug Store at Grant Square.

Scenes at the Track

While rounding a curve at Rogers avenue and Bergen street, Brooklyn, at 5:30 o'clock this evening, a car of the Ocean Avenue line jumped the track and crashed into the drug store of Christ & Co.

The forward hood of the car tore out the showcase and part of the wall of the store.

Witnesses of the accident say that the Ocean Avenue car hit another on the Bergen street line and it was the collision which caused it to leave the track.

The motorman of the Ocean Avenue car was severely injured and was taken to the Cumberland Street Hospital.

The junction of the streets at this point is the beginning of Grant Square and is one of the heaviest transfer points in that section of the city. At the time of the accident hundreds were waiting transfer and many of these narrowly escaped injury. Several of the passengers on the car, which was numbered 256, were slightly injured by flying glass. Several of the women became hysterical through fright.

SHERIDAN HURT, BUT AMERICANS GO ON WINNING

Robertson Wins the Jump and Increases the Lead of the Team in the Total Scores—Sheridan Spikes Knee During Practice.

ATHENS, April 28.—Lawson Robertson, of the Irish-American A. C., New York, kept up the good work to-day by winning over all his competitors, after a thrilling contest in the jump. He cleared 2 metres 95.5 centimetres, with Petit, of France, second, and Martin Sheridan, his team mate, third.

Because of an injury to his knee, sustained in competition yesterday, Sheridan has been compelled to withdraw from the Pentathlon, in which he had an excellent chance. The disablement does not disbar Sheridan completely. He preferred to take his chances in scattered events later on than to try to secure a high total in the five events.

With more than forty points to the good our chances appear to be excellent. Sheridan has gathered sixteen of the points to our credit, and if the rest of us can do as well proportionately there will be no doubt about our position at the finish.

Sheridan won the shot-put with ease, throwing the missile 43 feet 8 inches. David, of Hungary, was second. We expected Sheridan to win the discus throw, Greek style, to-day. His withdrawal will reduce our total of points, but our runners and jumpers are showing up surprisingly well.

Our team has been so uniformly successful that we appear to have the crowd with us. Prince George remarked to-day that the American flags have been used so often to signal news of American victory to the crowds that a new set will be needed at the conclusion of the games.

Hillman, Pilgrim, Bacon and Moulton will be in the final of the

PIMLICO RACES.

PIMLICO RACE TRACK, Md., April 28.—To-day was a away day at Pimlico and the largest crowd of the meeting was present. The weather was all that could be desired and the bookies were busy, as the betting was lively.
